More on Page 4

Traelan Amar Nickerson was only 15 years old when he passed away, but he touched many lives in that short period of time. He was introduced into the BPD family by ,then Officer Lance Weiss who met Traelan while volunteering for Adam’s Angels. He was in the Adam’s Angels program because of his terminal brain cancer; but you would not have known he was in pain because he was **always smiling**, always had a positive attitude. In 2014, Traelan was bestowed the title of Honorary Police Chief of the Brenham Police Department. Traelan took his position as Chief very seriously; and he was soon a fixture here at BPD. I was fortunate to have gotten to know him and spend some time with him. No one knew him better than Lance, who spent a lot of time with him and his family (mainly his grandmother and caregiver Marilyn Contee). I can remember playing football with him one Christmas Eve; he was wearing the Dallas Cowboys gloves that Chris Jackson had given him, even though, he was a die-hard Texans fan. He was diagnosed at the age of 6 and was not expected to reach 10 years old. He defied the odds and hung around long enough to make a big impact on those around him. He was good student, despite the fact he was constantly in pain and suffered from seizures quite often. He also had friends in the Fire Department (he lived a block from the Fire Station) and EMS, as well. He will be missed; he was truly an ANGEL. And remember, **“God got this” !!**

TOTAL 1021

Kudos to all that helped this month! Great Job !!

It's Award's Season here in Brenham; as well as, the Holiday Season. We celebrated the Holiday Season with our Annual CPAAA/BPD Christmas Party held at the Washington County Event Center on December 8th. There was food, fellowship and fun at this event that culminated in some awards being presented. The Police Officer of the Year for 2018 was announced, it was Officer **Alex Saenz**. Alex's award was presented by a proud and grateful Chief, Allwin Barrow. He had a lot of nice things to say, as well as, some funny things. Alex humbly accepted the award and made a few remarks of his own. **Dorothy Antkowiak**, much to her surprise, received the CPAAA Member of the Year Award for 2018. Of course she said something, duh. Being absent for his award, but arriving stylishly late, was **Ron Upchurch**. Ron was named the Officer's Choice Award winner for 2018; but was singing in his church choir when his award was formerly presented. It was re-presented upon Ron's arrival, much to his surprise ,as well. Another surprise came when **Traelan Nickerson's Grand Mother Marilyn and Grand Father Ira** were called to the stage. They were presented with a commemorative plaque with Chief Traelan's picture on it. All in all, very deserving winners!

It's Hell Growing Old

By Rob Aguilar

*Growing old is no fun, or so I've been told;
your body temp spikes from hot then to cold.*

*Those occasional pesky aches and pains,
turn chronic and worse whenever it rains.*

*Your stride which once was long and sure-footed,
has been replaced by a short shuffle, well muted.*

*Your voice once resonated so clear and concise;
now you're asked to speak up and repeat things twice.*

*Your calorie rich diet once consisted of mostly steak and potatoes;
today your system works best on soups and salads without tomatoes.*

*Those eyes so bright, you once saw in the mirror;
now have a dull glint, wish you could see clearer.*

Why did I enter this room, what did I hope to find?

I can't remember why, I think I'm losing my mind!

A clock once used for busy schedules and date making;

Is now used to calculate the time of your pill taking.

It's hell growing old, or so I've been told;

I'll never know, because I refuse to grow old.

You don't know how much longer you have on this earth;

so make the most of that time and fill it with mirth!!

I did not model this from any one person; but from my own experiences and observations. For those of us already in our golden years, the meaning is clear. For you younger folks; you'll soon be there. It's a glimpse into your future. It's not so bad; **it's LIFE!!**

Above: Thanks to Patricia Badough, Wanda Aguilar, Sue Braun, Keven Braun, Albert Green, Bob Cothorn, Doug Feist, Ron Upchurch, Jeanette Newman, Stan Ford, Laura Sparks, Corina Smith, Mark Smith for decorating the center for our party. And **THANKS** to all that helped clean up afterward.

Great Party and Good Job by all. Thanks, to the Social Committee!
See anyone you know??

At Left: COP Administrative Lieutenant and Brenham Fire Department Assistant Fire Chief **Rob Aguilar** was named **Firefighter of the Year** for 2018 at a ceremony held on December 1st at the Fire Department's Annual Christmas Party. He was presented the prestigious award by **Mayor Milton Tate**, who was also in attendance. On December 1st, Rob was still the CPAAA Member of the Year and COP Member of the Year. I guess that shelf will have to become a trophy case. Not really, he would just like to thank everyone that voted for him and made him feel appreciated. He works hard because he likes what he's doing and the people he is working with. **CONGRATS!!**

At left: COP and Retired Volunteer Firefighter **Clarence Steinfeld** was recognized by the Brenham Fire Department for his **16 years of Service**. His plaque read: Presented to, Clarence Steinfeld. In honor and deep appreciation for 16 years of faithful and dedicated service given to the Brenham Fire Department and the community we serve. This award was presented to him by Fire Chief Ricky Boeker at their Annual Christmas Party held on December 1st.

Congratulations!!

Family and Friends

A Sonnet by Rob Aguilar

*Illnesses and ailments are a big part of growing old;
but not the most important thing, I am told.
The most important is those friendships that we make;
those great friends we have, that we know aren't fake.
Another thing would be the family that we all share;
the relatives and friends we have, that we know care.*

*Caring for others, in a genuine way;
is the best way, to make someone's day.
While family is the strongest bond of all;
They may not be around when you call.
If you are in trouble or have dire need;
call on a friend, they'll do a good deed.
There are many people who will come when you call;
Those same people, will pick you up when you fall!*
