Kudos to all that helped this month! Great Job !!

I spoke with Chief Barrow on his last day here at BPD and he asked me to convey his deepest gratitude and respect to our CAAA/COP members. He was very impressed with our organization and the men and women of BPD. He said as much during his opening remarks at our BPD Thanksgiving Feast which was also on his last day here (so we accidentally had a going away party for him). He wrote a letter to the Citizens of Brenham, as well as, BPD and COPS. Here are some relevant quotes from that letter: "I have made many new friends in Brenham and I will miss them all, but most of all, the very dedicated men and women of the Brenham Police Department. And yes, that also includes the Citizens on Patrol - a unique group of volunteers that has proven to be the best in the state. In closing, to the citizens of Brenham, you are very lucky. Your police department is exceptional, your entire city staff is exceptional and they will continue to "do the right thing for the right reason." Please help them be the very best they can be. I sincerely hope that I played a small part in helping the department develop and grow. Goodbye and good luck!"

Louis A. Barrow Jr.

Above: **Sgt. Seth Klehm** says a few words about K-9 Ronny, at Ronny's Retirement Ceremony at City Hall 12-5-19. Mayor Milton Tate declared today "K-9 Ronny Day" in Brenham. Ronny's other handler, **Hunter Andras** was also there. At one point things got so emotional that Seth's wife had to step in and finish his comments. Below: Seth and Hunter wanted to thank a few people (with Plaques) that were instrumental in Ronny's well being. First they thanked Kristi Schiller of K9s4Cops, then Brenham Veterinary, and finally, the Citizens Police Academy Alumni Association for purchasing their first K-9, and helping with Ronny's Vet bills, vests and other equipment throughout Ronnie's 7 year tenure here at BPD. We wish **K-9 Ronny** a **Happy Retirement!**

The Weimar Police Department is mourning the loss of their beloved K-9 Lido after he died on Dec. 1st due to an unpreventable accident at home. Lido's handler is ex-BPD and current Weimar Officer Casey Thumann. Weimar Police Chief is ex-BPD Lieutenant Todd Jacobs, who has asked that at this time of loss that we respect the privacy of Officer Thumann and direct any questions or comments to him. Officer Thumann and Lido were a great team seizing more than 1.5 million dollars in narcotics and invaluable in assisting with other cases where Lido's nose was put to good use. There will be a Memorial for Lido on Dec. 17th at 5:30 pm at the Gazebo next to the Weimar Library and it is open to the public. In lieu of flowers, donations may be made in Lido's name to K9s4COPs.org. Our hearts go out Casey, Todd and the Weimar Police Dept.

Left & Right Ofc. Hunter Andras and K-9 Ronny are waiting for the Retirement Ceremony to start at City Hall. They were both cool, calm and collected. What a team!

Don't forget

The Reason for the Season

Left: I caught our Interim Police Chief Rusty Pancoast just before the City Council Meeting started on Dec. 5th. He was chatting with Fire Chief Ricky Boeker and Sgt. Steven Eilert. He seems eager to get back to leading our department. Come by and say hello to him at our next General Meeting, this Monday, Dec. 9th at 6:30 pm.

You and Your Family

are Invited to the

CPAAA/COP & BPD

Holiday Awards Banquet

Friday, January 31, 2020

At the

Washington County Event Center

At 6:30 pm

*RSVP by 1-24-20 to Sgt. Eilert, or Rob Aguilar.
Please include the number planning to attend.*

The Annual CPAAA/BPD Christmas Party and the Annual COP Banquet have been combined into what will become our Annual CPAAA/COP & BPD Holiday Awards Banquet; which will be held in January every year. This was done in an effort to relieve holiday stress at Christmas time and around New Years' celebrations. And also, to save BPD and CPAAA money. The cost will be shared by the CPAAA and the BPD—CPAAA will pay for the venue and the BPD will provide the meal. The awards will be paid as always; some by BPD and some by COP. This proposed change is sound and has merit. We are also hoping that attendance will be increased as well. Have a Merry Christmas and Happy New Year; hope to see you at the above Banquet!!

It's Hell Growing Old

By Rob Aguilar

*Growing old is no fun, or so I've been told;
your body temp spikes from hot then to cold.*

*Those occasional pesky aches and pains,
turn chronic and worse whenever it rains.*

*Your stride which once was long and sure-footed,
has been replaced by a short shuffle, well muted.*

*Your voice once resonated so clear and concise;
now you're asked to speak up and repeat things twice.*

*Your calorie rich diet once consisted of mostly steak and potatoes;
today your system works best on soups and salads without tomatoes.*

*Those eyes so bright, you once saw in the mirror;
now have a dull glint, wish you could see clearer.*

Why did I enter this room, what did I hope to find?

I can't remember why, I think I'm losing my mind!

A clock once used for busy schedules and date making;

Is now used to calculate the time of your pill taking.

It's hell growing old, or so I've been told;

I'll never know, because I refuse to grow old.

You don't know how much longer you have on this earth;

so make the most of that time and fill it with mirth!!

I did not model this from any one person; but from my own experiences and observations. For those of us already in our golden years, the meaning is clear. For you younger folks; you'll soon be there. It's a glimpse into your future. It's not so bad; **it's LIFE!!**

Above: Another Pet Adoption Event was held on Saturday, November 23rd at our main shelter , next to PD, and at Puppy Dogs and Cat Tails in Downtown Brenham. Forever Homes were found for 15 cats and 4 dogs that day. COPs Richard and Jerry Jares were on hand to help where they could. Richard said that he had fun checking out their new vehicle (the new truck has features like an elevator cage for large dogs).

CPA Class 34 Begins in February

Surely you enjoyed this class yourself and would like to share the experience with a friend, family member, co-worker or whomever! Pick up an application and return to Sgt. Steven Eilert , or it can be filled out or downloaded on-line.

On November 22nd the BPD Community Room was the site for the HEB sponsored BPD Thanksgiving Feast. Thanks to all that helped prepare and serve a wonderful meal; especially Jean Luera, Misty McCowan, and Alyson Tofel . THANKS to H E B for supplying the grub! It was also Chief Barrow's last day here at BPD. He can be seen here (right) addressing his troops for the last time; reiterating what he wrote in his letter (see page 3 for that letter). It was an emotional, heartfelt speech; he will be missed. We all have a lot to be thankful for
Happy Thanksgiving!!

Left: **Officer Andrea Norton** takes a report at a 3 vehicle accident scene on Day Street. And yes, **Tex Davis** was there too!

All of the above photos are from the same 1 vehicle rollover accident at FM 577 at Victory Lane. The two occupants are going to be okay, but as for their SUV, it now has a “targa top” (not quite a convertible); but definitely a custom look. **Sgt. Joe Merkley** and **Cpl. Tommy Kurie** were joined on scene by EMS, the BFD Rescue Squad (Engine One) and 3 DPS Officers. And, of course, **Tex Davis** was directing traffic.

Family and Friends

A Sonnet by Rob Aguilar

*Illnesses and ailments are a big part of growing old;
but not the most important thing, I am told.
The most important is those friendships that we make;
those great friends we have, that we know aren't fake.
Another thing would be the family that we all share;
the relatives and friends we have, that we know care.
Caring for others, in a genuine way;
is the best way, to make someone's day.
While family is the strongest bond of all;
They may not be around when you call.
If you are in trouble or have dire need;
call on a friend, they'll do a good deed.
There are many people who will come when you call;
Those same people, will pick you up when you fall!*

Left: You will be able to view the New 86" Ricoh Interactive Screen and Stand that was purchased by the CPAAA for our Police Department. The screen has been set up in the Classroom where we hold our meetings. So come by Monday evening and take a look. Also, come by to say hello to Interim Chief Russell "Rusty" Pancoast.
