## League City Blue Santa Event

The Blue Santa program is organized by your League City Police Officers and League City Volunteer Firefighters with assistance from other city departments, area businesses, civic groups, local schools, and community members. On the day of the event, children are paired up with League City Police Officers and Firefighters to shop for toys, clothing, or other personal items of their choice. In addition, the families are given grocery gifts cards and referred to other services depending on their needs. LCCPAAA donated \$250 to the League City Blue Santa Event. For more information about the League City Blue Santa program go to [www.leaguecity.com/BlueSanta](http://www.leaguecity.com/BlueSanta)

## League City Holiday Parade

LCCPAAA members participated in the League City Holiday parade. Members walked in the parade alongside League City Police Department officers and volunteers.

## December 2015 Officer of the Month Officer Jason Jones with K9 Chico

Officer Jason Jones began his career with League City Police Department in 2007 where he was assigned to the Patrol Division. He is a Field Training Officer, TCOLE Instructor, EVOC Instructor and also a Bike Patrol Officer. In October 2012 Officer Jones joined the K9 Division and was partnered with K9 Chico. K9 Chico is an eight year old German shepherd dog trained and certified in marijuana, methamphetamine, cocaine and heroin narcotics odors. Officer Jones and K9 Chico have been a certified narcotic detection team and police service dog team since December 2012. They received additional certification as a certified narcotic detection team and police service dog team through Dogs for Law Enforcement (DLE) in December 2014.

On 10-19-2015 Officer Jones initiated a traffic stop for a defective brake light. He identified the male driver and returned to his patrol car to perform a Driver's License check. On the return Ofc Jones found that the subject driver was out on bond for a murder and was due in court the next day. Upon returning to the vehicle Officer Jones could smell air freshener as if it had just been sprayed, which is often used as an attempt to mask the odor of narcotics. Officer Jones asked the subject driver for consent to search the vehicle and the subject driver denied the request. Officer Jones then had the subject driver get out of the vehicle and subsequently deployed K9 Chico for an exterior sniff. K9 Chico alerted to the presence of narcotic odor on the outside of the vehicle. K9 Chico was then deployed into the car's interior where he alerted on a compartment right above the ash tray.

The subject driver was taken into custody. A search of the vehicle was conducted and a baggie of marijuana was found right where K9 Chico alerted. A vial of PCP was found in the driver seat between the seat back and bottom. A loaded handgun as well as 2 counterfeit \$50 bills and 1 counterfeit \$100 bill was found in the glovebox of the vehicle. The subject driver was charged with 2 felonies (Forgery and Possession of a Controlled Substance PG1) and 1 misdemeanor (Unlawfully Carrying a Weapon).

For his service and dedication Officer Jones and K9 Chico will be presented a plaque and a gift at the Alumni board of directors meeting on Tuesday, December 1st.
