League City Citizens Police Academy Alumni Association

July 2016 Officer of the Month

Officer Greg Thomas

Officer Greg Thomas has been employed with the League City Police Department for 3.5 years. He graduated the police academy as Valedictorian and President of his class. Upon his completion of the LCPD field training program, Officer Thomas was assigned to the patrol division where he currently serves. He has been a proud League City resident for 27 years. He and his wife, Kim, have been married for 13 years and have a seven-year-old daughter.

On 4/29/2016 Officer Thomas requested permission to follow up on a case that involved alleged repeated family violence. Previously, on 4/27/2016, Officer Thomas had conducted a welfare check initiated by the victim's co-workers and family who were concerned over the victim not coming to work and only receiving vague text messages from the victim. Officer Thomas recognized that the victim's vehicles were in the driveway of the victim's home but could not make any contact at the residence. On 4/29/2016 Officer Thomas made contact with the victim who advised her boyfriend did not have permission to drive her car but had taken it anyway. As Officer Thomas spoke with the victim about her stolen car, he was also able to determine from the victim that she had been home on 4/27/2016 when he was at her house for the welfare check. The victim informed Officer Thomas that her boyfriend had threatened her with bodily harm if she spoke with the police. The boyfriend then forced her to text her family that she was okay. Officer Thomas spent approximately 14 hours on 4/29/2016 working with the district attorney, obtaining arrest warrants, coordinating with SWAT for the execution of the warrants in Houston, recovering the victim's vehicle, interviewing the victim, and insuring the execution of an emergency protective order against the suspect to further protect the victim from future violence. Officer Thomas could have passed this case on to CID but instead worked above and beyond what is normally expected of a patrol officer to help a victim of family violence break away from a dangerous relationship.
