According to the [United States Census Bureau](#), the city has a total area of 5.2 square miles (13 km²), of which 5.2 square miles (13 km²) is land and 0.19% is water.

History

In 1886, sam courville moved his family from a [Sabine Lake](#) settlement in Port Arthur to a new home on 640 acres (2.6 km²) of land.^[6] It would be in that same general area around 1911 that John Warne Gates purchased additional tracts of land. The land was conveyed to the Griffing brothers of Port Arthur in 1916 and three years later, Griffing Brothers Nursery employee Wiley Choate supervised the planting of several thousand [pecan trees](#) on a 385-acre (1.56 km²) tract.^[6] In 1921, the Port Arthur Land Development Company took control of the site and divided the land into a residential subdivision known as Pecan Grove. The name was later shortened to "Groves," after development representative and pioneer Port Arthurian Asa Groves.^[7]

A post office was established in 1927 and a school opened in 1929. A public library opened the following year. The community rapidly developed as a stop on the [Kansas City Southern Railway](#).^[5] The Atlantic Refinery began operating in 1936. In 1940, a public water system was installed in the community. Several civic organizations, including the [Lions Club](#), Chamber of Commerce, and Volunteer Fire Department were formed during the 1940s.^[7] By the early 1950s, Groves had an estimated population of 1,300. In 1952, residents of the community voted 1,079-262 in favor of incorporating Groves as a city.^[5] Rapid population growth followed, surpassing 17,000 in the 1960 census and reaching 18,067 by 1970. During the remainder of the twentieth century, the number of residents slowly declined. In 2000, Groves was the fourth-largest city in Jefferson County, after Beaumont, Port Arthur, and [Nederland](#).

Law Enforcement Code of Ethics

As a Law Enforcement Officer, my fundamental duty to serve the community; to safeguard lives and property, to protect the innocent against deception, the weak against oppression or intimidation, and the peaceful against violence or disorder; and to respect the constitutional rights of all persons to liberty, equality, and justice.

I will keep my private life unsullied as an example to all, and will conduct myself in a manner that does not bring discredit to me or to my agency. I will maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities, or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of the police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession...**law enforcement.**

PRESIDENTS MESSAGE

Well we are almost to the end of another year . By the time I sit down to write another one of these it will be 2017 . I think we did a lot of good things this year . From Cops & Kids , to the South Texas State fair to the fund raiser for Danny and lets not forget the send off we gave Doug , and Trunk or Treat last week . It all has one common thread , the members of this group . I can promise you none of these things would even be remotely possible without your support . This is the time of the year when we give thanks , and I want to say Thank You to everyone who helped make this year a success. We have a couple more things to finish up the year The biggest of course is our annual Holiday Party . Again this year we will be at the Rogers Park community center on Dowlen Road in Beaumont on December 20th . That's the 3rd Tuesday and will take the place of our regular December meeting . The event will start at 7:00 pm. We want to use the same format as before . The CPAAA will supply the meat and dressing , tea and coffee . We are asking our members to bring a vegetable or a dessert or 1 of each if there is more than 1 person attending . We will swear in our officers for 2017 so we can hit the ground running in January , but no other official business will be conducted at this meeting . We will of course recognize our volunteers who have done outstanding work during the year , as well as the Volunteer of the Year and an Honorary Lifetime Member award . There will be plenty of door prizes again this year and we will draw the winning tickets for our 2016 raffle So , mark the day and plan to be there . !

As most of you probably already know Officer Danny Valdez has taken Dougs place . Danny is back at work now and is wearing many hats ,and Doug made it look so easy . Anyway Danny wont be at the meeting this month but he will be at the December meeting . We all know Danny from his years with K-9 and the Explorers and he is bringing that same mindset to CPAAA . We are excited to be working with him and Chief Singletary made an excellent choice putting Danny with our group . I know he is excited to be able to work with us as well.

I want to remind everyone that we still have about 30 days left to sell raffle tickets . Its not to late to pick some up .It seems to have slowed down this year and I just cant put my finger on the reason If you aren't selling tickets please be sure to purchase some .Its for a great cause . We do accept cash , checks and all major credit cards . They make great stocking stuffers , who would not want four airline tickets . I could sure use a getaway .

This months guest speaker is Officer Chris Robin of the Groves Police Dept . Groves has about 20 officers and a population of about 16,000 . They have all the same problems as a big city but limited resources to deal with them . We wanted to have them come and talk to us about how they operate in a smaller city . They also have some programs that are unique to smaller cities . I think it will be interesting to hear . So plan to be there on the 15th .
