FREDERICKSBURG ROCKS

The drive is always worth it. This time the drive was really worth it. The food was more than worth it. This group in Fredericksburg knows how to throw a party for a bunch of hungry, traveled, alumni association members.

On Saturday March 18th the Region meeting was held in Fredericksburg. It was a treat for us, and for the Fredericksburg Alumni Association Members who did the cooking. Lunch was wonderful for all who attended, and there were a lot who made the journey. Elections were held and a new year began (even if it was late getting there). Excitement was all around.

Sergeant Detective Terry Weed , Fredericksburg Police Department gave us an in depth report on how a major drug bust is done in his area. After the presentation lunch was enjoyed by everyone.

NEXT MEETING WILL BE HELD IN PFLUGERVILLE at the Pflugerville Justice Center. Be sure to come, meet the new board, new members, and help us decide what to do at the State Convention that is right around the corner.

Bring your ideas, your thoughts and your suggestions. We will have applications for the convention, order blanks for the new state items, as well as applications for charter membership in the state association.

CPAAA HISTORY

The Citizen Police Academy began in England and spread to the United States. Florida initiated the movement. We are now many, and more coming on board every day.

We will be featuring the history of our own CPAAACT member associations. Be sure to send in the history of your own association so we can include you in our archive of member associations.

Texas has the largest number of CPA associations.

Send us the date of your first academy and every thing that follows that that first class.

We would also like to see something about our outstanding officer and anything else you want to include. We will feature a new association every newsletter.

Remember to include your officers and directors.

We look forward to profiling your CPAAA.

Photos are also welcome..
