Bastrop CPAAA is preparing for their Fun Run (formerly Poker Run) Meet in September supporting the Bill Anderson Scholarship Fund for high school seniors. Bastrop is also in the process of doing a COP class and have decals for their cars already. Their Golf Cart patrols the parks, movies in the park, and close patrol for those on vacation.

Pflugerville CPAAA reported it has 200 total graduates and 30 very active. The COP Program is always alive and well there. They have their car, golf cart and do regular patrols. CERT Program and a recent refresher with Austin Fire Dept.

Fredericksburg CPAAA just completed Shattered Dreams with 30-40 active participants. They also did a Pandemic Program with state and federal reps to be prepared to help their city. Founders Day Parade and 4th of July Fireworks will find them doing traffic control, along with their usual foot patrol on Main Street. Vacation checks are one of the regular functions to give vacationers assurance their homes will be looked after in their absence.

Travis County (TCSO) CPAAA will assist the 70 mile run to benefit TCSO. Handicap parking class will enable them to issue tickets to violators. They will be sworn by the constable and must live in Travis County to participate. They also are very active in the Are You OK program for the elderly and regularly do welfare checks. Vacation checks for those Travis County residents are popular. TCSO also participates in Dangers of Strangers for the children, and fingerprinting for the safety of their youngsters.

Cedar Park CPAAA will host their annual Pancake Breakfast Fundraiser July 29th from 7:30 a.m. till 11:30 at Good Shepherd Lutheran Church, and everyone is invited to this very popular event. July 4th will find these busy folks helping with traffic and looking out for the safety of the young children. They are already preparing for National Night Out, and are active in the Warrant Calling Program to enable citizens to come pay before being picked up

Temple CPAAA is also participating in handicap parking violations. Their 38 members just welcomed 15 additional graduates. They are having a fundraiser with the prize being a Glock Model 22 and BBQ Grill. Nobody was interested in the BBQ Grill, but tickets for the Glock were going at a brisk pace.

Austin CPAAA participated in a sting on illegal parking. Criminal role play for the cadets in training was a big help. They will also be on hand for the June 23 graduation with 70 new officers ready to hit the streets of Austin. A new CPA class began on September 20th, and they are planning for the Charlie Sector Officer Appreciation Dinner in September.

Recent elections results: Beth Pickett, President; Jeanne Pollard, V President; James Duncan, Secretary; Jan Dolph, Treasurer, and Marsha Sackberry, Sgt. At Arms.

Plans for the 2007 State Convention are well underway with Officer Joe Munoz at the helm. The Ice Breaker Party to kick off the 2007 Convention will be on July 4th at the Hilton Hotel. This is sure to be a huge celebration with everyone watching fireworks from the top of the Hilton (in glass enclosure—remember the July Heat in Austin).
