We will then have the regular Board meeting, followed by our General Meeting. The upcoming convention will be the topic of conversation. We all want to be there to support Joe Munoz and the Austin CPAAA as they let everyone get a peek at what to expect at the 2007 convention.

SWORN AND NON-SWORN DELEGATE TO CONVENTION

During the next two months each member association and those throughout the state will be in the process of selecting both a sworn and non-sworn delegate for the convention. This is the person who will attend the delegates meeting and cast their association's vote on any issue requiring a vote.

As your association selects those persons, we are requesting you let the secretary (Charlotte Thomas tchar007@cmaaccess.com) know who these delegates are. This will help both the Garland/Richardson group, and the State Board prepare for this meeting. We will be making a list of each association and their delegates for sign in at this meeting.
