Hi, Leo; I don't know if this is the correct route to give you news of our CPA activities, but you can let me know if it is not.

Harris County Sheriff's Citizen's Police Academy graduated 38 students in District I on April 22, 2010. Most of these have joined alumni associations in their respective districts throughout Harris County. Their guest speaker for the program was Justice of the Peace William Yeoman from Precinct 5, Place 2. He has the largest court (dockets) in the state of Texas. Judge Yeoman is a very entertaining speaker and gave a very informative lesson on the U.S. Constitution. Class President, Lynn Cirillo, spoke to the class and gave a retrospective glance back across the 13 weeks of the class events. Harris County Sheriff Adrian Garcia also attended the ceremony and spoke to the students prior to the Bar-b-Que dinner enjoyed by all.

We also presented a Teen CPA class to the Law Enforcement students at the Carl Wunsche Career Academy in the Spring Semester. This class was a modified version of the adult class, and was enjoyed by the students and staff at the school.

On April 20, 2010 we held an Advanced Class at our Training Academy in which the Bomb Squad gave an in depth lesson on their training and about the use of bombs in terrorist activities. Then we were taken out to the field where we were shown 8 different types of

explosions. Fifteen CPA Alumni from around Harris County enjoyed this class.

On April 24, 2010 CPAAA assisted HCSO community services as they served at the Annual Boy Scout Fair at the Reliant Arena. This is the largest Boy Scout Fair in the nation.

On May 1, 2010 CPAAA will assist community services division of the HCSO at the annual Willowbrook Mall Salute to Law Enforcement. They will assist with Infant Car seat installation as well as manning the booths inside the mall.

On May 4, 2010 we will have an Advanced class at Houston TranStar which will feature Lois Gibson, famous forensic artist. Thirty alumni are signed up for this event.

We hope to see all of you at the Region One meeting on 5-8-10.
